

WAR 28/10/17 - 29/10/17 - “That Dam Ride” aka “Ride of the Dammed”

Hot Dam! Wayne and Richard are organising the final Weekend Away Ride for 2017. This will be a dam good ride to Toogoolawah and back on the weekend of the 28th - 29th of October. The ride, which starts at the MCEGC Clubhouse at 8.00 AM, will follow roads that connect a number of dams in SE-Queensland. On way up on Saturday the 28th of October we will visit Wyaralong Dam, then ride onto Perseverance and Creswell Dams near Crows Nest before riding around Wivenhoe Dam to Toogoolawah where we will be staying overnight. There are a number of accommodation options in Toogoolawah: the Toogoolawah Hotel (\$50.00

per person including breakfast) is our preferred option but there are rooms and Exchange Hotel just up the road. On the return journey we will ride back past Somerset Dam and Wivenhoe Dam (in the opposite direction) before heading to Moogerah, Maroon Dams and finishing at Hinze Dam. You would have to be a dam fool to miss it.

Watch the MECGC web & FB pages for updates.
